Gluten free options, best enjoyed hot, but still tasty the next day if too lazy to warm up again (just me?)  
Vegetarian options: I don't know why you'd want to pick the good stuff off the pizza, or consciously ask your server not to put meat on especially if your already sacrificing gluten from the crust, but I'm sure there are options. Is it even pizza if you don't put cheese on it? Kid-friendliness: I think they will... [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities.

What [User](#) doesn't like about Moo's Pizza:

One large pepperoni pizza 3 small pops. \$40 how is that possible? And it was good. This is why we don't go here. There is a difference between inflation and just making excuses and blaming it on inflation lol. And the other pizza place has the same pizza for \$12.99. But hey what do I know right.
