We might have the **meal plan of Shibui Japanese Eatery** from North York Industrial in the gallery. A meal plan can be found further down. Are you currently at Shibui Japanese Eatery or planning a visit? Help us by publishing the menu here. What [User](#) likes about Shibui Japanese Eatery:  
Great spot in the area for delicious and authentic sushi. Fantastic selection. Love the spicy scallop Vegetarian options: Several vegetarian options available throughout the menu [read more](#). The visitors love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Shibui Japanese Eatery from North York Industrial, with its unconventional Asian fusion cuisine - the perfect blend of traditional meets the adventurous world of fusion cuisine, on the menu there are also a lot of **Asian dishes**. The tasty Sushi such as Nigiri and Inside-Out however, is the undisputed highlight of this establishment, and a lot of freshly harvested vegetables, fish and meat are used to prepare *healthy Japanese menus*.
