A complete [menu](#) of Town & Country Fish & Chips Restaurant from Grimsby covering all 17 menus and drinks can be found here on the menu. The Town Country restaurant offers a mix of reviews, with some highlighting the high prices and lack of traditional British fare, while others praise the excellent taste and quality of the fish and chips. Despite some negative feedback on the prices, many customers have been returning for over 25 years and enjoying the Halibut and chips. The service appears to be quick and friendly, with the cook cum waitress receiving praises for her pleasant demeanor. While the appearance of the premises may not be appealing to all, the quality of the food seems to make up for it. Overall, the restaurant seems to have a loyal following, despite some areas for improvement.
