Merci la Vie from Prévost is a **cozy café**, where you can have a small snack or cake with a warm coffee or a hot chocolate, Also, the visitors of the establishment love the extensive selection of differing coffee and tea specialities that the restaurant has to offer. Sometimes you may not want to consume a lot, in this case one of the fine **sandwiches**, a small salad or another snack is just right, The *sugar-sweet* desserts of the establishment also shine not only in the eyes of our little guests.
