With fresh ingredients like fish, vegetables and meat, Shinjuku Japanese Restaurant from White Rock prepares for you fine sushi (e.g., Maki and Te-Maki) and many additional variations, Moreover, the menu of this [gastropub](#) offers a good and especially large variety of beers from the region and the world that are definitely worth a try. After the meal (or during it), you can still relax at the bar with a *alcoholic or non-alcoholic drink*, You can't do anything wrong, especially with bite-sized **Tapas**, because there is something for every palate.
