What [User](#) likes about Triple O's: I have been going to the White Spot since high school (a long time ago) and Triple O's is the best choice for a Triple O White Spot Burger and Fries. What [User](#) doesn't like about Triple O's: Located on a secondary road close to major casino, this is [fast food](#) not as good as its cousin White Spot. Partial menu mostly burgers, fries & drinks. Good for quick eats, but not a destination cafe. [read more](#). A visit to Triple O's becomes even more rewarding due to the extensive range of coffee and tea specialties, here they serve a *comprehensive brunch* for breakfast. Most meals are prepared in a short time for you and served.
