Our server was Tequila and she was great with children and adults alike. The food was good and in line with other Lonestar restaurants. The white peach Sangria was really good and definitely my favorite part of the meal. Service was fast and the food came in a decent time. [read more](#). What [User](#) doesn't like about Lone Star Texas Grill:

\$60 for 2 trays of foods plus drinks.. better off spending this somewhere else. Taste was nothing special. Customer service was not great at all. This would be our first and last visit. It's definitely always an event to be in a **typical saloon** and to consume; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a hearty burger, Moreover, the delicious desserts of the house shine not only in the eyes of our little guests. Among the customers, the versatile, scrumptious Mexican cuisine is also popular, in which mainly corn, beans and hot peppers are used, The **barbecued food** is freshly *grilled* here on an open flame.
