What [User](#) likes about Quesada Burritos Tacos: The food was delivered last night by the owner and 8 of us were thrilled!! The tacos and fajitas and burritos and rice and chips with queso sauce was absolutely delicious. The salsa and queso sauce was truly amazing and home made in house. [read more](#). What [User](#) doesn't like about Quesada Burritos Tacos: \$12 for a large size bowl which is not even half, when i told the lady owner about the less quantity she started yelling at me and made a scene in the restaurant. She wanted me to charge extra \$5 for adding a spoonful of rice and was very very rude, i have been to other Quesadas they are good but this one is pretty bad and the owner is worse. She doesn't even know how to talk to customers and shes in her own 'i don't care' fantasy world. I feel sorry for the people who work with her. And i will escalate this issue to the higher authorities too. Anticipate the varied, tasty [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers).
