Meet Fresh might actually be my favourite dessert place in Toronto recently, and I consume more ice cream/dessert than any regular person should. The place also offers the possibility to sit outside and eat in beautiful weather, and there is complimentary WiFi. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physical disabilities. What [Ayesha Madan](#) doesn't like about Meet Fresh (spadina):

A visit to Meet Fresh (spadina) is particularly valuable due to the extensive range of coffee and tea specialties. In addition, the **charming desserts** of the restaurant shine not only on children's plates or in the eyes of the little guests. We offer not only sweet pieces, cakes and small snacks, but also *cold and hot drinks*. Besides, the successful blend of different menus with new and partially adventurous products is appreciated by the guests - a good case of Asian Fusion.
