Came here for the poutine and got two and they were how I expected them, hot and filled to the top of the box. Also can't beat the price of the poutine which comes fully loaded to the top for only \$8. Way better than the mcdonalds behind you guys, who only fill up the box half way for \$5 [read more](#). What [Eduardo Aldana](#) doesn't like about Harvey's:

Usually amazing in taste, and well made but today was very different not sure if it was a new crew or if they were rushed even though there was no line up but everything was wrong. The burgers were crushed down at the bottom of the bag with half the ingredients coming out of the burgers, and the patties were slightly hard and tasted off. Hope they can get back to how they were in the past. [read more](#). In case you're craving some *fiery South American cuisine*, you're in the right place: tasty dishes, cooked with fish, seafood, and meat, but also **corn, beans, and potatoes** are in the menu, and you can enjoy here fine American meals like Burger or Barbecue. If you have little appetite, you can treat yourself to one of the tasty sandwiches, a healthy salad or another snack, The meals are usually prepared for you in the shortest time and fresh.
