Excellent food. Cordon Bleu chicken burger, thick, juicy, all breast meat was excellent. Others had chicken tenders and fries and fish and chips. Fries were great. Smallish location and a little dark but delicious food.

Definitely will be returning. [read more](#). What [User](#) doesn't like about Friends Pub And Liquor Store:

We got food poisoning on the weekend from chicken on the flat bread [pizza](#). When I called to let them know, it was dismissed like they didn't believe me. That's okay, I'll just let others know, so they don't suffer the same fate.

Shame on Friends pub for serving food that makes you sick!!!! [read more](#). During a meal, a good drink is essential. In this *gastropub*, you not only get delicious dishes from the menu but also a comprehensive and particularly good diversity of **good beers and other alcoholic beverages** that go well with the food, Naturally, you can't miss out on the tasty burgers, which are accompanied by sides like fries, salads, or wedges offered. There's also crisply crunchy [pizza](#), baked straight from the oven using original methods, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
