What [Tasha Shaw](#) likes about Elixor:

This review is for our visit in Summer 2017 Just wanted to say what an amazing spot this is. Great for families, big groups. The menu is huge. We are from Toronto and really enjoyed Elixor and would love it if there was a Toronto location. But if we return to Montreal, we will definitely be back. Not only huge portions, but reasonably priced and delicious tasting! Great kids menu too! [read more](#). When the weather conditions is nice you can also eat outside. Elixor from Dorval is a good place for a bar to **have a beer after work** and be able to sit with friends or alone, here they serve a comprehensive brunch for breakfast. You can also look forward to delicious vegetarian cuisine, The customers of the establishment also consider the extensive variety of various coffee and tea specialities that the restaurant offers.
