I read some of the reviews before going there and I was really worried, but don't let that stop you. If you are the trying Korean bbq it's a little hard at first but you will get a hang of it. Just have fun with it and enjoy the experience. The servers are really friendly and helpful but barely come by unless you call them. All in all its a good place and I recommend you go and check it out for yourself. [read more.](#)
