What [User](#) likes about Sushi High: Portions are a bit small if you have a big appetite, but prices are good. Only drawback is the location. It is right off the street and some awfully loud cars drive within feet of the door. [read more](#). What [User](#) doesn't like about Sushi High:

Service was good food was good but a bit pricier than in other places . But I got a food poisoning from a sashimi lunch box combo It was one of the worst ones in my life .... I'm glad I survived... not coming back anymore tho ... [read more](#). For guests of the establishment, the catering service is also available, and *easily digestible Japanese menus* are being made with lots of freshly harvested vegetables, fish and meat. Undoubtedly, the highlight of this establishment is the fine Sushi such as Maki and Te-Maki.
