What [User](#) likes about Asia Garden: I love Hakka Chinese and always choose Asia Garden. But they have recently added Momos in their menu which was delicious. Getting both Veg and Chicken in such a less price really surprised me. I would recommend everyone to taste it once. [read more](#). What [User](#) doesn't like about Asia Garden: Ordered Ludhiana Beef and Chicken Manchurian. Beef was not clean only meat, it had thick layers of fat. I understand some people prefer their meat that way but I don't. Taste wise it's average food. Although noodle box was full but for the price the noodle box size is small. Customer service is satisfactory. Have free but very tight space for parking if you can find. [read more](#). In Asia Garden from North York Industrial, expect **versatile, fine Chinese cuisine** that's authentically cooked in a wok.
