What [User](#) likes about Sashimiya: \$50 Medium combo 4x octopus, sweet shrimp, tuna, salmon, mackerel, yellowtail, and (striped bass? . Overall very fresh, light on flavor, good value (tho the pieces a touch on the thinner side . No complaints tho, would come again! Small grocery store, friendly chef employees, quick service!. What [User](#) doesn't like about Sashimiya: Was excited to try but wound up disappointed. Sushi was good but not special and expensive. Picking up was a surprising hassle. Told the lady my name. She looks around confused. I say it 's right there pointing in front of her. She says whats your order number? I 'm sorry, it 's uber eats and I don 't remember my order number She is unwilling to give it to me until I open my app and she has to read through the entire... [read more](#).
