The majority of the business is clearly takeout and they are always busy! We ordered there for new years eve on December 31 2011. We ordered over \$100 of food and it was ready in an hour and they call you when it's done so you not standing there waiting. Staff very friendly English really good great place! [read more](#). What [Makayla Schimmel](#) doesn't like about Auntie Jane's Restaurant:

Just tried this place and not very happy. The egg rolls were frozen ready made and just rebattered and served. Shrimp rice was flavorless and chicken balls were hard and crusty and unflavored and not very good. I have had bettered. I will never order here again. [read more](#).
