Quiet little pub. Music playing isn't overbearing like in a sports bar. Rob, I'm assuming is his name, super friendly guy and hard worker. Had a pizza the other day from here that was dynamite! Tried the Farmer burger tonight. Really good, but man! You gotta rename that thing to the Belly Buster or something ha! Thing will fill you up! Keep up the great work man! Repost: couple days later The new wings are killer bro!... [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [Blair Curry](#) doesn't like about RK's Bar and Grill:

2 meals ordered, Veal cutlets semi burnt and stale, garlic toast was bread with garlic salt, no veggies. Farmers burger was 2 6oz minced hamburger with the house special sauce that was a mixture of sour thousand island and green relish. Cook waiters attitude shouldn't be working in the customer service hospitality industry. Should have known when there were no other patrons at noon to go somewhere else. RK's Bar and Grill is famous for its diverse Canadian dishes, made from typical country products, In addition, the charming desserts of the establishment shine not only in the eyes of the little guests. RK's Bar and Grill uses a lot of freshly harvested vegetables, fish and meat for its healthy Japanese cuisine, The meat is freshly prepared here on an open flame.
