Fish and chips always delicious and reasonable. Staff friendly. Has been here for a long time with a great reputation. When I get a hunger for fish and chips plus mush or onion rings this is the place to go. Chips are real potatoes and fish and potatoes fried correctly **[read more](#)**. The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather. What **[Tom R](#)** doesn't like about Connaught Fish & Chips:

Ordered delivery of 5 fish and chips. Well I bit into one battered fish and lo and behold no fish inside, all batter!!

Tried another and same invisible fish, 3rd one had a tiny baby guppy in side, 4th and 5th had fish so I guess 3 out of 5 ain't bad (singing meatloaf song) Never order from them again unless you like invisible fish or as others have said a plate of batter and chips!!! **[read more](#)**. Connaught Fish & Chips is renowned for its *diverse Canadian meals*, which are prepared with ingredients typical of the country, and you can look forward to the scrumptious typical seafood cuisine.
