I have been to this restaurant several times and really enjoyed their food. The Bento menu are a great choice but if you ask for more hot spicy they charge a dollar extra. The all you can eat is also a good choice if you are very hungry. They bring you extra food if you ask for more. Service is good and quick. [read more](#). When the weather is nice you can also eat and drink outside, and there is complimentary WiFi. What [User](#) doesn't like about

Insadong Korean BBQ:

7 of us dined in around 5.00 pm .. Food came 25-30 mins after considering only 3 tables in the restaurant. Slow Service I would say. taste ummm ? far from being Authentic. Side veggie dishes are pretty lame. Free for the first two order. Bulgugi was the worst I have had. Only pro. The price is very reasonable. But I'd rather have a great food and pay more. Will not go back sorry(: [read more](#).
