The burgers here are from beef that is raised without hormones or antibiotics. You can taste the difference. Way better than McDonald's or Burger King. I also LOVE that they have sweet pickle relish -- this is another "plus" that puts them above the average drive-through place. [read more](#). The restaurant offers free WiFi for its visitors.

What [User](#) doesn't like about A&W Restaurant:

waited in line for 10 minutes talking loudly and excitedly about the breakfast special i was going to order, only to get to the front and have the cashier take off to give 4 people their breakfast trays and coffee, come back and FLIP the SIGN to lunch at 10:57 then refuse to sell me breakfast and was rude about it... I will never ever ever return. I did contact the manager but told him there was nothing he could do f... [read more](#).
