Oodle Noodle offers a wide range of Chinese and far east noodle dishes, mainly featuring chicken, beef, or shrimp. While portions are generous and prices reasonable, the food quality received mixed reviews.

Some dishes lacked sauce, others were oversauced or too salty. On the positive side, the veggie options seemed fresh, and the tofu was praised for its taste and consistency. The restaurant ambiance catered more towards take-out customers due to limited seating and loud music. Despite long wait times during peak hours, Oodle Noodle remains popular, especially for those looking for a quick and satisfying meal option.
