We really really enjoyed the food at Silk Road today :). The food had amazing flavours and the waiters and waitresses were very helpful and super polite. The owner even stopped by our table to make sure about something in our order and chatted with us after we finished our meal. Extremely kind owner and staff, and they food was simply awesome. We'll definitely come back :)! [read more](#). What [User](#) doesn't like about Silk Road Restaurant:

Never seen portions this small for any price. The eggplant dish was served in a plate size of about 2 in about one spoon. The braided lamb, supposedly served a specialty of a restaurant, was added a lot worth about two spoons... it, just enough to try it. Don't go there. Total demolition. [read more](#).
