weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Pape-Georges: 4 of us were on a family outing and decided to stop here for a drink. Its a very touristy area and crowded at the best of times so don't expect a quiet time. We sat outside because it was a very hot day. They had run out of the drink i ordered and the IPA i had instead was fairly average. The service was fine but the place is nothing special.

Pape-Georges is famous for its typical Canadian meals, made from typical country ingredients, the place provides however also **dishes typical for Europe**. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, You can also look forward to the typical fine *French cuisine*.
