A complete [menu](#) of Montgomery's Fish & Chips from North Vancouver covering all 17 dishes and drinks can be found here on the food list. Montgomery's Fish and Chips in Vancouver's White Rock area offers a mixed dining experience. While some appreciate the crispy, flavorful fish and crunchy chips, others find the high prices, greasiness, or lack of quality to be disappointing. The halibut nugget special is a standout dish, appealing to those who appreciate fresh, hot, and well-seasoned fish. The cozy deli-like atmosphere is perfect for a quick lunch, especially for families on a budget. Despite mixed reviews, Montgomery's remains a popular choice in the lower mainland for its classic take on fish and chips.
