Here you can find the [menu](#) of **Datoni Pronto** in Sherbrooke. At the moment, there are **17** courses and drinks on the card. The restaurant offers good products at reasonable prices with quick and friendly service. However, there are issues with online ordering and website links. Some dishes like the garlic snail [pizza](#) may fall short, but the lasagna receives high praise. While there have been disappointing experiences with delivery, dining in at the cozy restaurant is enjoyable. The variety of items available for purchase, along with excellent service, make it a great spot to try unique, delicious pizzas. Overall, a mixed but mostly positive dining experience with room for improvement.
