It's certainly always an experience to be in a typical saloon and to enjoy; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a delicious burger, **delectable vegetarian recipes** are also in the menu available. Even the **versatile, delicious Chinese cuisine** is very popular among customers, Besides, the inventive blend of different menus with new and partially adventurous products is appreciated by the visitors - a good case of Asian Fusion.
