I have always been a big fan of individually packed cookies and desserts (my favorite S'mores cookie, but I was thrilled to try the baked goods from the new storefront. the croissants have not disappointed! [read more](#). What [Modesa Alar](#) doesn't like about Sweets From The Earth:

This place was recommended to us so we decided to try it....I honestly feel it's way hypes..food is nothing unique..the quantity is so small for the price they charge and the service is questionable..please be very careful..they don not give refunds even if an item.is sold out on their end. It is a gift card option [read more](#). The catering service is also provided by the restaurant for its customers, Also, there are *oven-warm breads* available, complemented by an array of cold and hot beverages. If you'd like something sweet for dessert, Sweets From The Earth does not disappoint with its good **selection of desserts**.
