A complete [menu](#) of Chuck's Roadhouse And Grill from Guelph covering all 17 meals and drinks can be found here on the food list. At Chuck's Roadhouse Bar, diners have mixed experiences shaped by the quality of food, service, and pricing practices. Guests rave about the delicious dishes, particularly the ribs and steaks, which are often described as mouth-watering, paired with attentive and friendly staff who enhance the dining experience. However, dissatisfaction arises from a confusing 3% "honest to goodness" fee, which many find deceptive, alongside inconsistent service times that can leave customers waiting. While the atmosphere is generally praised, recent health concerns and service delays suggest room for improvement. Overall, while many guests plan to return, others express caution.
