Here you can find the [menu](#) of **Moose Squirrel Small Batch Coffee** in Niagara Falls. At the moment, there are **18** courses and drinks on the food list. Nestled within the Doubletree Fallsview Hotel, this café offers a quick and convenient choice for travelers seeking breakfast or a caffeine fix. While some dishes, like the French onion soup, earned praise, overall food quality has disappointed many. Patrons noted high prices for subpar meals, including overcooked steaks and steep charges for basic items. Though the ambiance is welcoming and service can be friendly, especially from staff like Jatin, there are mixed feelings about the food offerings. With better dining options nearby, visitors may find themselves wandering to Queen Street for a more satisfying experience.
