Food: The usuals like burgers plus some other things to try like poke and Korean pork buns. Generally everything we tried was pretty good. Service: Professional and attentive. No issues. Overall: A good place to try other than a chain restaurant. [read more](#). In pleasant weather you can even be served in the outdoor area, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities. What [User](#) doesn't like about Craft Farmacy: Food was bland all around, pros octopus was well cooked, the drinks were well made and the bone marrow was decent. Cons the service, the duck and octopus weren't well seasoned even with their pairing sauces it wasn't enough to be enjoyable. The oysters weren't anything special. Ultimately I will not be returning.
