I love this place on a sunny day after a walk through the public gardens it is great to eat a pint and a bite. there is always an interesting selection of beer, and the tendons change regularly, so there is always something new. the menu is not huge, but everything is delicious. there are a few vegetarian options. if they like spicy senf, the vegan hotdog is excellent. read more. In nice weather you can even be served in the outdoor area. At Stillwell Beergarden in Halifax you can **savor delicious vegetarian courses**, that are free from any animal meat or fish, You can't do anything wrong, especially with bite-sized **Tapas**, because there is something for all tastes. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try.
