+update Sept 8 2022 5 stars to 3 stars The taste has changed from the last visit and price went up. The service was so so even though there was only 1 table inside and a few on the patio +update Aug 23 2021 Went for their nutella [pizza](#) again and the main was also amazing! I think this is actually the best pasta place for a franchise! Great quality and taste Great atmosphere and food! Their nutella [pizza](#) is a must try and when they say that it's spicy, it is SPICY! ∴ At Vivo Pizza Pasta from Etobicoke you have the opportunity to taste delicious [vegetarian](#) meals, in which no trace of animal meat or fish was used, and you can look forward to authentic *Italian cuisine* with classics like [pizza](#) and pasta.
