Excellent coffee in Gastown. We spent 5 days in Vancouver and this was definitely one of the best coffees I had during my stay. It's a very understated entrance so you need to know exactly where it is. Lovely bench seating area inside. Service was superb- friendly and welcoming. The coffee was just wonderful! If you're a big coffee geek then you'll want to come here. [read more](#). You can use the WiFi of the establishment free of charge, Depending on the weather, you can also sit outside and have something. What [Dan Watt](#) doesn't like about Timbertrain Coffee Roasters Gastown:

I really want to give this place more stars. Live their roasts, selection, and drinks. Unfortunately my baked good wasn't cooked, like raw dough on the inside. They were very good about a refund, but when I returned to my table there was also a fly in my drink. Disappointing experience. [read more](#).
