This is a very small restaurant. We estimated 50-60 patrons could be seated in the dining room. Luckily for us, it was not crowded and we did not have other diners sitting close to us. It is not an inexpensive restaurant. The bread tray was very nice slices of garlic bread. There was also a relish tray with black olives, a seasoned cold rice and pickle spears. I choose the salmon. It was moist and delicious. It was ser... [read more](#). You can use the WLAN of the restaurant free of charge. What [Fiona liu](#) doesn't like about The Blue Mermaid [Seafood](#) & Steakhouse:

Well, I don't think it's a good choice for dining out as family gatherings. The price is pretty unreasonable high. Their side-dish rice gonna charge you extra 5 money. For me it's seems like they wanna make as much money as possible from each order. It is a stupid action, as a restaurant, you earn your profit from good quality food ,nice service, and return customers not just rap each customer wallet for sigle order... [read more](#). The **catering service** is also provided by the restaurant for its guests, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. If you'd like something dessert for dessert, The Blue Mermaid [Seafood](#) & Steakhouse does not disappoint with its large **selection of desserts**, and you can look forward to the scrumptious traditional [seafood](#) cuisine.
