Comparable to Thai food found in shopping mall food courts. I enjoyed it. It was freshly made so I would come here rather than go to another fast food place. The restaurant décor is nice as well. Good location - easy to get to after doing a little shopping in the area. [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about Thaizone:

Nice new fast food restaurant with a slick modern decor. I had a garlic noodle dish with veggies and shrimp no flavor whatsoever! An imperial roll was just not very good. Soy sauce did not help, so I went to the condiment station for salt..... none there, so I had to return to the counter to ask for some. It didn't help. This place did not serve tasty food. I will not return. [read more](#). If you crave for sweets, Thaizone with its *delicious desserts* can easily make an end of it, on the menu there are also a lot of Asian menus. Dishes are usually prepared in a short time for you and brought to the table, With the famous spices and fish sauces, Thai dishes are prepared here.
