It's certainly always an event to be in a **typical saloon** and to eat; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a hearty burger, And of course, you should also try the *tasty burgers*, with sides such as fries, salads, or wedges served. Naturally, they also offer you with crisply crunchy pizza, baked fresh in traditional style, Also, the visitors of the establishment love the comprehensive variety of various **coffee and tea specialities** that the restaurant has to offer.
