Very nice space to eat while watching the game. Service was excellent, but the food not so much. We both had the salmon and it was tasty but dry and overdone. The corn soup to start and the strawberry tart for dessert were very good. [read more](#). The restaurant offers free WLAN for its customers, Depending on the weather conditions, you can also sit outside and have something. The premises on site are accessible, and therefore no problem for visitors with wheelchairs or physiological limitations. What [User](#) doesn't like about Azure Restaurant & Bar at the Intercontinental Toronto Centre:

This review is a little dated in that I was there approx 5 months ago. Food is becoming pedestrian, service is starting to wain with staff that may have been here too long and are so comfortable in their jobs. All and all not a great experience certainly not for the money. [read more](#). If you're desiring some hot South American gastronomy, you're in the right place: exquisite menus, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, Inthemorning a versatile brunch is offered here. Furthermore, you can order fresh roasted meat, and you will find genuine **Italian cuisine** with classics like pizza and pasta.
