What [Andrew](#) likes about Sushi Shop:

I like Yu Mi but it's important to understand that what they serve is by and large not traditional sushi. They're big on sauces and spices. They use, possibly overuse, a tempura-roe-fish mix in many of their dishes that while tasty defies the mouthfeel you might expect from your sushi. I would recommend staying away from their numaki

there is no place to eat inside the restaurant (only two chairs with very little space). You will recognize the same menu as the other sushi shop. staff is courteous and professional, service a little longer than other sushi shop. We tried their new ramen. I was very disappointed in the quality. He didn't take it back. Instead, go to a certain value, their sushi is the same day. [read more](#). Delicious pizza is baked *fresh* at Sushi Shop in Montréal using a traditional method, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks. You can also look forward to [delicious vegetarian cuisine](#), and **healthy Japanese menus** are being made with lots of freshly harvested vegetables, fish and meat.
