Here you can find the [menu](#) of **St-hubert Express** in Bathurst. At the moment, there are **21** menus and drinks on the card. This restaurant offers a blend of delightful dishes and some service hiccups. Guests rave about the fantastic lobster roll and exceptional staff, who are described as polite and helpful, particularly towards families and children. However, concerns arise over the slow service and issues with food quality, such as inconsistently cooked potatoes and pink chicken. While some meals come in generous portions, others leave diners wanting, especially regarding side items like fries. Though the atmosphere and service often receive high marks, patrons urge for improvements in communication and food preparation. Overall, the experience remains a mixed one.
