What [User](#) likes about Pho Mai Thy:

if they know about Vietnamese packings (vapor vermicelli with grilled meat comb), it is heavenly delicious and refreshing. give them all crumble and greens, dipped into their fish sauce. we also had their Vietnamese sweet and sour fish soup. it is so comforting and incredibly delicious. service is great and personal is super friendly?.

Food was not good today. Broth was unbelievably oily and bland, noodles were soggy and overcooked and came as a cube, and the meat was flavorless and texture was off. I guess you get what you pay for considering the price, delivery probably didn't help the already low quality. Will have to try again in person to see if it's much better. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, Furthermore, the visitors love the creative combination of different dishes with new and partially experimental ingredients - a nice example of successful Asian Fusion.
