This is my favorite place when I work in downtown. I miss them every day during the Kovid closed and was so enthusiastic when they were reopened! The food is always packed with taste and the perfect temperature! The staff is friendly and the food is fresh. read more. What User doesn't like about Rice 'n Spice:
I don't understand how to say that the food is delicious there if in fact the whole opposite is: the portions are ridiculously small, and the chickpeas and mixed vegetables lubricated like canned food. The only positive thing I can say about this place is that the lady who served me was kind and cordial. Other than that, PLEASE AVOID THAT PLACE AT ALL COSTs. read more. You can at Rice 'n Spice from Vancouver taste delicious vegetarian courses, in which no animal meat or fish was brought into play, on the menu there are also a lot of Asian dishes.
