A nice neighborhood pub. There are tons of seating, but on a Friday night, I have seen the place full. Their live music is usually good and makes for a fun Friday night. What [Chris Cash](#) doesn't like about Whistler's Pub:

We went to whistlers for wing night as we do about once a month I must say the quality of food has dropped over the last couple of visits, the service great no complaints there at all, but the starter was warm at best and the wings were warm if that. In this **gastropub**, you not only get delicious cuisine from the menu but also a comprehensive and particularly good assortment of *good beers and other alcoholic beverages* that go well with the food, It shows that the typical *Canadian dishes* are well received by the customers of the restaurant. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Naturally, you can't miss out on the scrumptious burgers, which are accompanied by sides like fries, salads, or wedges served.
