Use to come here often before the pandemic. 1st time back and the fish and chips are just as good. Their prices on the web haven't been updated. Haddock is 14.99 and Halibut is 19.99. Big menu with many varieties of fish and many pub style items like meat pies ect. 4 chairs on a bench inside and to picnic tables outside. Parking: It's in a med. size mall so lots of shared parking. But 1st time in years I tried onion rings. I'm sorry I have to say they were soooo greasy. They did not taste good. I could only eat a few before I gave up. Ordered take out. [read more](#).
