I been ordering from this place for about six years now and not had one issue yet. This is my favourite Chinese food restaurant by far and it has no MSG also. The lady that owns it knows me very well and loves when I pop by to order. We chit chat and she knows my order so well because I order the same thing every time for the last six years now. I love this place, it's very friendly with great Chinese food. [read more](#).
