It was my first visit to the hopstick and the food came extremely fresh the staff was really polite and I am really happy about my order. I ordered beef and broccoli with 2 spring rolls. I ate them before I even have a chance to make a picture. They also put a little rice that was a nice touch when I wanted to do it when I came home.

Definitely my location of choice for my comfort food from Chinese foods. [read more](#). What [Lisa M](#) doesn't like about Chopsticks Take-Out & Catering:

ordered quite a bit of food and it was greasy and overcooked. The General Tao chicken was all hard little pieces and didn't taste anything like what I'm used to. won't be ordering from this place again. [read more](#).
