

DINO'S
FRESH FOOD DELI

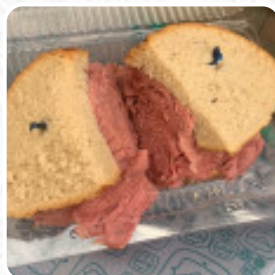

The place was immaculate. So clean. So welcoming from the back door to the dining room, loads of pics of people of Midland throughout the years. The staff were noticeably young but so professional and efficient. The food... So outrageously good! I know it's only a MIDLAND restaurant but it's so good at its signature foods that it could easily be internationally successful. I will definitely be visiting again in the summer when I'm back from the states."

The size remains like high which is great but today the meat was much much lighter and tasted more like a roast beef sandwich than a corned beef sandwich. It's like they are cutting corners on the length of time Corning the beef. Will prob wa... [read more](#).
