Here you can find the [menu](#) of *The Fudgery* in Banff National Park. At the moment, there are **15** menus and drinks on the menu. You can inquire about **changing offers** via phone. What [Vidhya I](#) likes about *The Fudgery*: I had maple and chocolate flavour scoops in a waffle cone. The taste was good for both the flavours and the waffle cone too. The price is slightly costly, but that's ok, since it's in Banff. The staffs were really good and welcoming. [View all feedback](#). What [Pol Nomi](#) doesn't like about *The Fudgery*: I bought the Birthday cake and the matcha fudge at my first visited. The matcha one is incredible, nothing to say. But the birthday cake just taste like a regular sugar fudge, I can't find the birthday cake flavor. I'm disappoint about this one. [View all feedback](#).
