What [Malcolm Oleksiuk](#) doesn't like about Mr J's Pizza Etc:

We ordered five items and 3 of them were wrong . Normally id just go back and ask them to fix it but seeing as i drove from nanaimo because my wife said it was the best . We made the drive, lets just say I'll probably never go back after wasting all that money. Im sorry but how do you mess up a salad with no mods on it?
