The only good service I had was on the 1-800 line which took my order. Arrive at ALMA. No one ahead to answer, I have 13 to wait inside that plus those outside. I can understand that you are in the juice but a minimum of respect towards your customers to answer them that it will not take long that is envious... Well no I have to shout to Madam behind to say that my order is ready on the Taba stove....Banned for life... [View all feedback](#).
